

Football Season

Frequently Asked Questions

The best football leagues in the world are back from **15 August 2025**, as the World of Champions, SuperSport, brings live action of the new season on GOtv football fans across the continent.

1. When will the new football season start?

The 2025/26 football season kicks off with the FA Community Shield on **Sunday, 10 August 2025** as the curtain raiser for the season, featuring Crystal Palace (FA Cup Winners) vs. Liverpool (Premier League Winners). The Premier League begins on **15 August 2025** at 20:00 (CAT) with Liverpool vs. AFC Bournemouth. La Liga starts on **17 August 2025**, and Serie A follows on **23 August 2025**.

2. Which leagues are available on SuperSport?

SuperSport will broadcast the **Premier League**, **La Liga**, and **Serie A**, along with cup competitions such as the **UEFA Champions League**, **FA Cup**, **CAF Champions League**, **CAF Confederation Cup**.

3. Will the games be available on HD?

Yes. All the channels are available in SD on GOtv.

4. How many matches from each league will SuperSport broadcast?

Premier League: 380 matches on the dedicated SuperSport Premier League channel (**65**).

La Liga: More than 300 matches on the dedicated SuperSport La Liga channel (**62**).

Serie A: More than 300 matches, available based on your package.

5. What matches can I watch based on my GOtv package?

GOtv Plus: 2 live Premier League games, 2 La Liga games, and 2 Serie A games per weekend.

GOtv Max: Best of La Liga and Serie A, plus selected Premier League matches.

GOtv Supa Plus: All Premier League action.

6. Where can I watch the FA Community Shield?

The 2025 FA Community Shield, featuring Crystal Palace vs. Liverpool, will be broadcast live on SuperSport on 10 August 2025 from Wembley Stadium.

7. What can GOtv viewers expect to watch on the football channels?

The popular 24-hour Premier League channel will continue as standard on its dedicated channel *SuperSport Premier League* channel (**65**). The breadth and depth of the coverage will include first-class Premier League TV build-ups with respected and renowned analysts. La Liga and Serie A overflow games will be available on alternative SuperSport channels.

8. What about the matches that play at the same time (simultaneous matches)?

For the Premier League, **SS 65** will showcase the most popular matches of the day and simultaneous matches will be available on alternative SuperSport channels. For La Liga, **SS 62** will showcase the most popular match, and simultaneous matches will be available on alternative SuperSport channels.

9. Will customers on GOtv get access to all matches in the new football season?

GOtv customers on Supa + will get the best of the Premier League matches live on SS Premier League and overflow on SS Select 3. Customers on the GOtv Max and Plus package will receive 2 PL matches per week, the best of La Liga and Serie A matches per week and selected international matches. GOtv Plus customers will get 2 **PL** (live games), 2 **La Liga** & 2 **Serie A** live games per weekend, which is same as last season for PL. GOtv Value customers will get African football and other local, low-end football and late repeats games.
